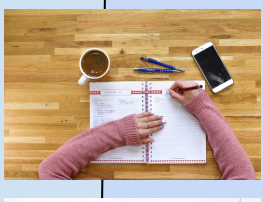
Philadelphia Mastermind Seminars Presents:



Breakout Session #3
Friday, May 18
10:30am - 1:30pm

Business Sense From The Everyday Mom

Are you seeking to:

- **Balance being a MOM with owning a BUSINESS?**
- **Have more TIME?**
- **Improve leadership skills and teach others?**

Being a great teacher . . . is learning to be a great student . . . and everything I've learned about being a great student / teacher has direct correlation to being a leader in business and/or community based organizations.
