

Indiana Mastermind Seminars Presents:

Discovery Learning Breakout Session #4

Would you be more **PROFITABLE** if your employees/team members.....

- ~ Were better learners?
- ~ Were more curious?
- ~ Had systems for higher results?
- ~ Had systems for a more effective onboarding?

Jennifer is now taking what she learned in the classroom and bringing it into back into business to help entrepreneurs, owners, leaders and employees learn to work together, play together, learn together and **Think Differently** to solve business problems like they have never been solved before.

Led By Jennifer Tibbs - Teacher and business owner
